

March 2022

Dear Parents,

With Spring now upon us and more normal school life returning, we are making plans to welcome the school community back to events on site as much as possible. One idea in early planning stage is a Summer Garden Party which we would hope to host at the end of this school year. We will keep you posted on any updates.

As always you can contact the PTA with any queries, suggestions or offers of help on pta@sionhillcollege.ie
