## Supporting a Safe School Environment

- As all students are back please continue to protect yourselves and others by supporting a safe school environment:
- Avoid congregating at the school gates;
- Arrange school drop-off and collection well away from the main entrance to the school;
- Adhere to all health and safety guidelines including good hygiene and respiratory etiquette;
- Keep wearing face coverings on public transport and any other required settings.

## Open Call for a Chef

We are investigating fundraising opportunities for supporting the development of services for our school. In particular we are exploring the possibility of running an online cookery demonstration. Are you a chef or know someone running a local café, restaurant or catering business in the area? We would love to hear from you!
