OPEN EVENING
THURSDAY 29TH SEPTEMBER 2022
4.30PM TO 7.00PM

Whole School Evaluation

Department of Education and Skills

"Enabling each student to reach her full potential academically, spiritually, physically, emotionally and socially is the highest priority; to achieve this the school provides a very wide range of curricular and extra-curricular opportunities and has developed very good systems for monitoring students' academic progress and for their holistic development."

"The quality of leadership of learning and teaching is excellent..."

"To ensure that each student is reaching their full potential in all realms, the school has developed exemplary systems for monitoring and reporting on progress."

"Promotion of student voice, student leadership and student involvement is exemplary, wide-ranging and innovative."

"Students' enjoyment of learning was evident and arose from a sense of making progress in their learning; this contributed to their well-being and engagement."
